From the Director's Chair

Dear Families,

What a beautiful end to another amazing week here at Lewis and Clark! This week your child has finished up the majority of the beginning of the year assessments that help give teachers a baseline of where your child is at to start the year. Teachers will begin to use the information gained from these assessments to provide additional instruction on skills that are weak, as well as enrichment activities if your child already has the skill they are focusing on. Grade levels will also begin WIN time (What I need time) this week. Your child may have an opportunity to go to another classroom or teacher during this time for enrichment activities or additional interventions. Students will be moving throughout the building during this so that we can ensure we are meeting all of the students needs. If you have any questions regarding this time please let me know. I hope you have a wonderful Labor Day weekend!

Sincerely,
Stephanie Sanker

KidGuard Insurance

Parents can purchase additional insurance protection for accidents that may occur while students are away from school, at home, during the weekends and vacation periods, including the summer months. For information regarding this optional coverage, call the Lawrence E. Smith & Associates Insurance Agency at [1-800-325-1350](tel:1-800-325-1350), or e-mail a request for information to lucyw@lesmith.net.

Trailblazer Winners

Congratulations to last week's Trailblazer Ticket winners. Students earn these tickets by following expectations around the school, including the bus. On Friday afternoons, tickets are drawn from each grade level and students can choose an incentive from a provided list. Some popular prizes last week were extra recess with a friend, sit in the principal's chair for a day, and sit anywhere in the lunch room. We are looking forward to announcing this week's winners.

Thank you PTC!

A big thank you to the PTC and all of you for helping with fundraisers last year. We were able to purchase a screen to use during assemblies, special presentations, and on Fridays during the last few minutes of lunches. Last week, the students listened to the book *Enemy Pie* at the end of the lunch period. We received great feedback from the kids. Thanks again for helping to support our school!

Picture Day Volunteers

Say cheese! Picture Day is Tuesday, September 20th. We are asking for parent volunteers to help with this day. If you are interested in volunteering to help with picture day, please contact Cheryl in the main office at 636-397-3111. We appreciate your help in advance!
