From the Director's Chair

Dear Parents,

This coming week we will have our first Early Release day on Thursday, September 15th. Students will be dismissed at 1:25 pm. It is extremely important that our office staff and your child know how they will be going home for the day. If there is any change in this from the original transportation notes at the beginning of the year please call the office or email knielsen@fz.k12.mo.us. One idea to help your child remember how they will be going home is writing their dismissal arrangements in their assignment notebooks for Thursday. If you have any questions in regards to this please let me know! Have a wonderful weekend!

Sincerely,
Stephanie Sanker

MAP Scores

MAP scores from Spring 2016 will be sent home with our fourth and fifth graders on Friday, September 30th. You may contact the school any time after September 30th and a report will be printed for you at your request, or an electronic report may be sent via email.

Monday, September 12th-D Day

Tuesday, September 13th-E Day

Wednesday, September 14th-A Day

Thursday, September 15th -B Day

Friday, September 16th-C Day

Clubs

We received an overwhelming response for club participation this year and we couldn't be more excited! We are putting finishing touches on club rosters and trying our hardest to ensure students are getting first, second, or third choices depending on the availability of the club. You should be hearing something from the club sponsors by the end of next week on official start dates and times. Please be patient as we work through the lists. If you have any questions, please feel free to call the office.
