From the Director's Chair

Dear Parents,

We had another wonderful week here at Lewis and Clark! The students are working hard in the classrooms each day. We have reached the midpoint of first quarter already. On Friday, September 23 we will email progress reports home. I encourage you to talk with your child about their grades in each subject area and their effort in subjects. If you have any questions or concerns about your child's progress report please contact your child's teacher. As a reminder, if you have access to the parent portal you are able to see all assignments in the gradebook and the breakdown of how the final grade is determined. We appreciate all of the parent support in the school, and we look forward to continuing to work with you throughout the year!

Sincerely,
Stephanie Sanker

The order has been placed and the LCE spirit wear should be delivered near the end of the month. Didn't have a chance to order this time? Not a problem. We will be sending out a second and last chance order form towards the end of the month for the last opportunity to order.

Trailblazer Winners

Congratulations to the winners of the last two weeks' drawings of Trailblazer tickets. Students have the opportunity to earn tickets by following our school-wide expectations. If their name is chosen on Friday, students can choose from a variety of incentives including extra recess, morning greeter, name on the parking lot sign, sit anywhere in the cafeteria, and sit in the principal's chair for the day.

A huge thank you to those families that joined us at Rockin' Jump on Thursday evening. A great time was had by all! We appreciate all of your support with our fundraisers. This helps our PTC purchase things that directly impact our students.

Parents Right to Know

As a parent of a student at Lewis & Clark Elementary you have the right to know the professional qualifications of the classroom teachers, as well as, our Title 1 reading teacher, Julie Westbrook. Mrs. Westbrook will send home a letter to all students that she currently serves about her qualifications to teach reading specifically as it pertains to the Title 1 funded program. If you would like to receive this information, too, please call Stephanie Sanker at [636-397-3111](tel:636-397-3111).
