From the Director's Chair

Dear Parents,

We have had another amazing week here at Lewis and Clark! According to the weather forecast, it appears we may finally have fall weather next week! I wanted to take a moment to say thank you to everyone that attended our "Rockin Jump" event last week. We were able to raise \$266 for our DARE program in 5th grade. The DARE program is an outstanding resource for our building and our 5th grade students. It allows our students to build longstanding relationships with a police officer in St. Peters, and it helps to give students the knowledge and the power to say no to drugs and alcohol. We appreciate our community's support with the DARE program, and we look forward to other events throughout the year.

Sincerely,

Stephanie Sanker

Progress Reports

Progress reports were emailed home today. If you have any questions or concerns about your child's progress report please contact your child's teacher. As a reminder, if you have access to the parent portal you are able to see all assignments in the gradebook and the breakdown of how the final grade is determined.

Performance Assessment

Last Friday, our third grade students had a big mystery to solve (and an even bigger narrative to write.) In writing, our students were given a prompt (and a real scene to observe) in order to complete a narrative writing piece. The kids were so excited to be detectives. The narrative writing piece was a culmination of what has been taught throughout writing the first four weeks of school. See our pictures on the next page of our detectives trying to crack the case.
