From the Director's Chair

Dear Parents,

While our 5th graders, Mrs. Sanker, several teachers, as well as paraprofessionals have been exploring and learning at camp, we've been busy here at Lewis and Clark. Our third graders were visited by the Central County Fire Department. They reviewed all aspects of fire safety and how to create an evacuation plan for home. Ask your third graders about what they learned. Our fourth graders were visited by two specialists of the Weldon Spring Site. Students learned about sedimentary, metamorphic, and igneous rocks and how each type of rock forms. Lastly, our fifth graders that stayed back have enjoyed multiple activities at "Camp at School" including tie-dying, building a "fire", and creating camp banners. It's been a great week of learning! Enjoy your weekend!

Sincerely,
Shannon Findley

Attendance

We continue to meet our attendance goal of 97%. Last week we were at 98.44%! Thank you for helping our students understand the importance of attending school daily!

Digital Citizenship Week

Our students use technology in all aspects of their lives. From daily instruction and homework to socializing or playing games, the digital realm is woven into every aspect of their role as a global citizen. This week we will be focusing on reminding students of good digital habits. For more information on how you can help to reinforce these good habits at home with your child, please visit www.common sense media.org.

Great Shakeout

Each year, millions of people "Drop, Cover, and Hold On" in the Great Shakeout, the world's largest earthquake drill ever. On October 20th at 10:20am, all Fort Zumwalt schools will be participating in this drill.
