Student Information Release

Parents must complete a Student Information Release Form every year, giving us permission to photograph, audiotape, and/or video tape your child to use on the school website, newsletters, newspaper articles and other publications. A form will be sent home with students at the beginning of the school year.

Letter Days

All elementary schools in the Fort Zumwalt School District follow a letter day schedule. Each day of the week is a different letter day (A, B, C, D, or E) and your child's special classes (i.e. art, music, PE, library) will be held on a specific letter day. The days will go in a consecutive order each school day of the week, even when we have days off. If the last day we have school is on a B day, then the day we return to school will be a C day.

Teacher Qualifications

As a parent of a student at Lewis and Clark Elementary you have the right to know the professional qualifications of the classroom teachers who instruct your child. If you would like to receive this information please call Mrs. Sanker at [636-397-3111](tel:636-397-3111).

Emergency Information

Please make sure the office has updated emergency contact information for your child. An Emergency Verification Sheet should be filled out by a parent at "Meet Your Teacher" day in August and returned to your child's teacher. If you are unable to make it to "Meet Your Teacher" day, the form will be sent home with your child.

We will also need an Early Dismissal form completed for each student. These forms will assist us in getting your child home safely on early release days or days when school may end early due to inclement weather.

Automated Calling System

The Fort Zumwalt School District will continue to use an automated calling system as a method of communication in a crisis, emergency or school closing situation. It is extremely important that you carefully check the number listed on the Emergency Verification Sheet for your home and cell phone numbers. These numbers will be utilized in the event a broadcast is necessary. Calls before 7:00 a.m. or after 7:00 p.m. will only be sent to your home phone.

Homework

Homework will be assigned to all students. Students should record their daily, weekly, or long-term assignments in their Student Planners. The planner will help students manage their time and homework assignments.

Breakfast and Lunch

Breakfast in the Classroom

Students who wish to purchase a school breakfast can pick up a sack breakfast from the cafeteria and take it directly to their classroom. Each meal will consist of milk, fruit, and an entrée. Students will be able to finish eating as they begin working in the classroom. Breakfast will be served from 8:40 a.m.—8:55 a.m. each morning.

Lunch

We utilize a debit accounting procedure that allows you to deposit money into your child's 'account.' This amount is then available for your child's use for breakfast, lunch, or a drink. You will be notified when your child's account is depleted. A student's charge may not exceed \$6.00.

Lunch Menus

Lunch menus will be sent home with students each month. You can also access the menus by visiting the Student Nutrition Website. You can access this website by visiting www.fz.k12.mo.us and using the student nutrition tab.

Home Prepared Foods and Birthday Treats

Parents should be advised that the district prohibits the sale and consumption of home-prepared foods at parties, fundraising events or district functions due to the potential health risk posed to students. If you have questions or concerns, please contact your child's principal.

It is the Board of Education's policy not to allow home-made goods to be brought in for special events. If you would like to have your child bring in something for a special event, please send store-bought, pre-packaged items *only*.

Free/Reduced Lunch

The Fort Zumwalt School District participates in the National School Lunch Program and the School Breakfast Program. Children from families whose current income has either temporarily or permanently fallen below certain federal guidelines can qualify for free and reduced price meals. The identity of qualified children is completely confidential and the district goes to great lengths to keep these children anonymous from their peers. Parents should consider taking advantage of this valuable program should their current financial circumstances warrant participation.

Please remember that you need to re-apply for this service each new school year.

Arrival and Dismissal

Arriving Before 8:40 a.m.

We ask that parents refrain from dropping their children off at school before 8:40 a.m. unless they are involved in a school club or activity that meets before school. We want to ensure the safety of all of our students, and there is not adequate supervision before 8:40 a.m. If you are in need of before and after school care for your child, the O'Fallon YMCA provides YClub at SPE as early as 6:30 a.m. and as late as 6:00 p.m.

Tardy Students

If your child arrives to school after 8:55 a.m., we ask that you walk your child into the building and sign them in at the office. This is necessary to keep accurate attendance.

Parent Drop off and Pick Up

Please make sure the office staff, your child's classroom teacher, and your child are aware of how they will be dismissed at the end of the day. *If there are any changes throughout the year please send in a note with your child and/or call the school office*

Classroom Interruptions

If you need to bring your child something once the school day has started (i.e., lunchbox, school work, etc...), please drop it off in the office and we will call your child down to pick it up. This will decrease the amount of interruptions to the teacher's instruction.

Attendance Policy

Regular school attendance is vital to the academic success of any child. It is also habit forming and builds a lifelong pattern. When your child is going to be absent, we ask that you contact the school office at 636-397-3111. You may leave a message if there is no answer. If your child is absent and we do not receive a call from you, we will call to verify their absence.

In the event of an absence, parents are requested to call the Lewis and Clark office to report a student's absence or send a written excuse from the parents the first day back to school. Failure to notify the school within 48 hours will result in an unexcused absence.

Absences and tardies will be determined "unexcused" if they fail to meet one of the following criteria: Illness of student, a death in the family, medical and dental appointments, school sponsored trips, and prearranged absences. Students that are routinely absent/tardy from school with unexcused absences/tardies and if parental neglect may be suspected for the excessive absences, it will be reported to the proper government agencies to assist the school in correcting this problem.

Snow Schedule, Early Dismissal, and School Closings

Whenever possible the school district will post school closings on our website at www.fz.k12.mo.us. In the event of severe weather, the district may choose to use a late arrival snow schedule, dismiss the students ear from school or cancel school for the day. For those patrons unable to access the Internet, local television and radio stations will also be contacted to provide this information.

Radio KMOX 1120 AM

Television KTVI Channel 2 KMOV Channel 4 KSDK Channel 5

Finally, we will utilize our School Messenger system to reach out to our families through both e-mail and phones. **Please be sure that your contact information is current in our database so you can receive the School Messenger call in these situations.**

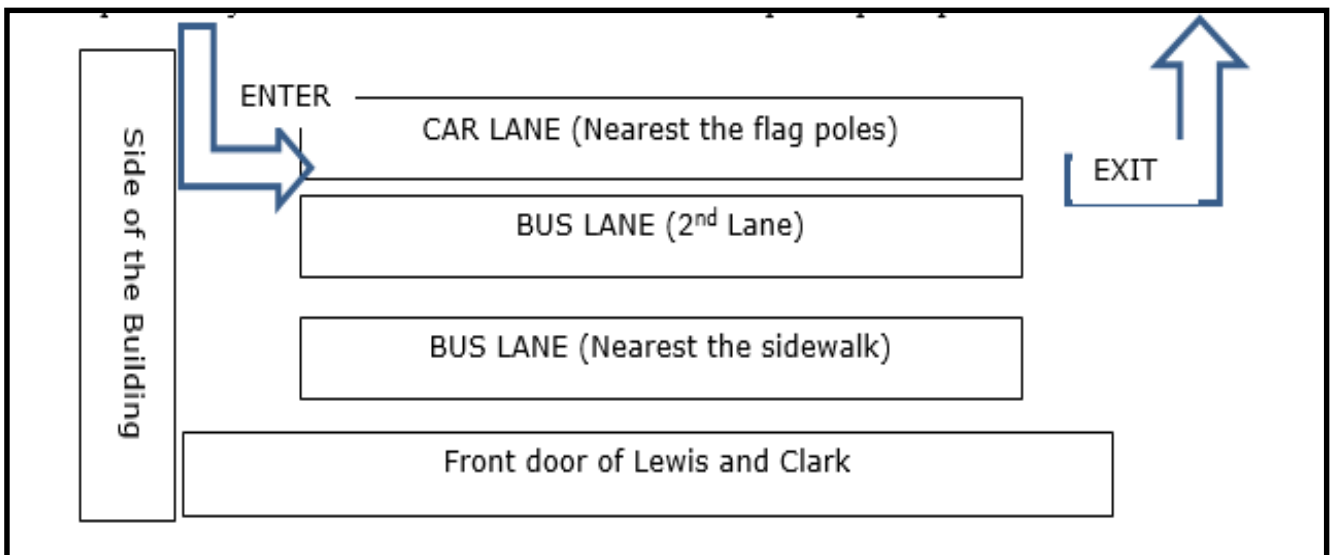

Arrival and Dismissal

Parents Drop off and Pick Up

To assist with the safety of students and adults please observe the following practices:

- Drop students off and/or pick them up in the lane furthest from the building (see drawing attached). Parents should pull up and drop their child(ren) off in the car lane. The staff in front of the building will direct your child inside. It is not necessary to walk into the building to drop off or pick up your child during the arrival/pick up time periods. After 8:55a.m. you should walk your child in to sign them in for the day.
- Please follow the directions of the staff on duty outside. Please wait patiently for staff to move you forward in the car line to ensure safety of students getting out of cars. Do not create two lanes of traffic for cars as it will block busses from entering the parking lot.
- If you need to come into the building or you wish to walk up to the doors to pick up your child you must park in a parking spot. Do not park in the car line as it can hold up traffic. We request that you do not call your child to walk across the parking lot to you. With cars and busses moving through the parking lot this becomes a serious safety concern.

The school day ends at 3:55 p.m. If you do not need your child for an appointment or for an emergency, we request that your child be dismissed with the call for parent pick up.

Bus Rider Safety

Bus Riders

Students must ride their assigned bus to and from school. Students also must get off and on the bus at the assigned bus stop. The transportation department suggests students arrive at the bus stop in plenty of time before their scheduled pick-up time. Please send a note to school to notify the office staff any time your child is changing his or her dismissal procedures. If we do not have a note, your child will be sent home via their normal dismissal routine. If it is a bus change you must first call the Transportation Office (636) 240-3138.

Please direct all questions or concerns regarding bus routes, times or special requests to the staff in the transportation office.

Bus Safety Rules

It is very important that all children understand the importance of staying safe on the bus. Here are the safety rules:

Be Respectful

- Take care of the bus
- Use the correct tone of voice (level 2).

Be Responsible

- Walk safely to and from the bus
- Sit back-to-back, seat-to-seat
- Keep your body and all materials inside the bus
- Food, drinks, candy, and gum should be eaten at school or at home only

Do Your Personal Best

- Set a good example for your peers
- Be on time every day

Students who are unable to maintain appropriate behavior will receive a citation from the driver. These citations (bus tickets) will prompt a visit to the office.

School Board Policy for Misbehavior on the School Bus

3rd–5th Grade

- 1st offense- Warning/Parents Notified
- 2nd offense- 3 day bus suspension
- 3rd offense- 5 day bus suspension
- 4th offense- 10 day bus suspension
- 5th offense- suspended indefinitely

*** Incidents of more serious nature may require immediate suspensions.*

Electronic Devices on the School Bus

If students choose to bring an electronic device on the bus, it is understood that taking pictures or video, watching videos, and playing music that may distract the driver is strictly PROHIBITED. Failure to comply, may result in discipline from a school administrator.

Safety and Security

Locking of Doors

All doors are locked from 6:30AM-4:00 PM each school day.

School Resource Officer

LCE's School Resource Officer, or SRO, is Officer Phil Holmes. Officer Holmes is a police officer with the St. Peters Police Department who works in close contact with LCE Elementary. Officer Holmes also teaches Drug Abuse Resistance Education (DARE) to our 5th Grade students. He makes frequent stops at LCE to help with security and build positive relationships with students.

Parent Volunteer Form

All parents volunteering for field trips, parties or working in the building must have a completed background check. Please contact the office if you need a form.

Entering the Building

In order to be admitted into the building you must use the buzzer located next to the front doors. Please state your name and your purpose for your visit. If you are here to pick up a student you will need to tell us who you are picking up.

All visitors must report to the office, sign in, and take a visitors pass before they are allowed anywhere else in the building. This includes if you are here to eat lunch with your child.

Cell Phones

Cell phones can create problems at school and we highly discourage students from bringing cell phones to school for fear of them being lost or misused. However, we do understand that cell phones are a part of today's society. If your child does need to bring a phone to school, it will need to be stored in a backpack and turned off upon entering the building. Phones that are out during the day will be confiscated and the parent will need to pick the phone up from the office.

Signing out a Student

You must provide a picture ID to pick up a student. This is to ensure that students are only dismissed with people that have been approved to pick them up.

Security Cameras

In order to increase security in the building, 14 security cameras are located throughout Lewis and Clark. Each exterior doorway and most interior hallways will be covered by these cameras.

Emergency Drills

All students are taught to take proper precautions in case of an emergency. These drills include fire, tornado, earthquake, and emergency lockdown. Drills are practiced at intervals during the school year.

Annual Notification of FERPA Rights and Designation of Directory Information

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the Fort Zumwalt School District receives a request for access.

Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal [or appropriate school official] a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the Fort Zumwalt School District to amend their child's or their education record should write the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. [NOTE: FERPA requires a school or school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request or the disclosure is initiated by the parent or eligible student.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the [School] to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

See the list on the following page of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, § 99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student:

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency (SEA) in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of § 99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf, if applicable requirements are met. (§§ 99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary for such purposes as to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to § 99.38. (§ 99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction, if applicable requirements are met. (§ 99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§ 99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§ 99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena if applicable requirements are met. (§ 99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§ 99.31(a)(10))

- Information the school has designated as "directory information" if applicable requirements under § 99.37 are met. (§ 99.31(a)(11))
- To an agency caseworker or other representative of a State or local child welfare agency or tribal organization who is authorized to access a student's case plan when such agency or organization is legally responsible, in accordance with State or tribal law, for the care and protection of the student in foster care placement. (20 U.S.C. § 1232g(b)(1)(L))
- To the Secretary of Agriculture or authorized representatives of the Food and Nutrition Service for purposes of conducting program monitoring, evaluations, and performance measurements of programs authorized under the Richard B. Russell National School Lunch Act or the Child Nutrition Act of 1966, under certain conditions. (20 U.S.C. § 1232g(b)(1)(K))

FERPA Opt-out Information

As required by Federal Law, the Fort Zumwalt School District will release the names, addresses and telephone numbers of students to all eligible agencies; including but not limited to, military recruiters and institutions of higher education that request the information. Parents/Guardians or emancipated students may request this information, or additional information designated as "General Directory Information" as defined in Board of Education Policy JO, not be released by contacting their school to request a FERPA Opt-Out form, completing the form and returning it to their school office. The form is also available via the Fort Zumwalt District Website under Annual Parent Notifications.

Lawrence E. Smith Insurance for Students

Missouri schools are not required to buy insurance or pay student medical expenses associated with school injuries. However, Fort Zumwalt School District has purchased an accident insurance policy as a public service to assist parents that may be without insurance or need to supplement their own personal insurance plan deductibles or copays. The school policy will not provide 100% reimbursement for all medical expenses incurred. The plan has limitations and benefits as outlined below. The school district cannot assume responsibility for payment of medical expenses that are not covered by the accident insurance policy.

The school policy covers students, grades Early Childhood through 12, while they are participating in school scheduled, school supervised and school funded classes, sports and activities, during the regular school term. Students are also covered while they are traveling as a school sponsored group in a school bus or van operated by a licensed adult driver to and from school premises and a school sponsored event site. Injuries sustained during individual travel or travel in privately owned vehicles are not covered by the school policy.

Optional Student Insurance Purchase

Parents may also purchase additional insurance protection for accidents that may occur while students are away from school, at home, during the weekends and vacation periods, including the summer months. For information regarding this optional coverage, call the Lawrence E. Smith & Associates Insurance Agency at 1-800-325-1350, or e-mail a request for information to lucyw@lesmith.net.

Sexual Harassment

This school is committed to maintaining an environment for its students that is free from sexual harassment. Sexual harassment is prohibited and is defined as unwelcome or inappropriate verbal or physical conduct of a sexual nature, imposed on the basis of sex, by an employee of the school or fellow student. If a student believes he or she is being sexually harassed, the student should bring the concern to the attention of a principal. The principal will fully investigate the concern and will notify the student and his/ her parents of the result of the investigation. If the investigation substantiates the sexual harassment has occurred, the district will take appropriate disciplinary action against the offender. There will be no retaliation against or adverse treatment of any student who uses the complaint procedure to resolve a concern.

Individuals with Disabilities Act

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, children who live outside the district but are attending a private school within the district, highly mobile children, such as migrant and homeless children, children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Fort Zumwalt School District assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The Fort Zumwalt School District assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Fort Zumwalt School District assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Fort Zumwalt School District has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed at the Fort Zumwalt School District Administrative Offices, 555 East Terra Lane, O'Fallon, MO between the hours of 8:00 am and 4:00 pm on days in which school is in session.

This notice will be provided in native languages as appropriate.
